

# Arrowsmith Lodge & Cokely Manor

*People caring for people*

**Summer 2018**

Dear Families and Friends,

**Thank you** so much for your support. You have made a difference for our seniors in care through your generous donations in the past and **your commitment to Arrowsmith Lodge and Cokely Manor**. We would like to advise you of what we have been up to and about the exciting year we are going to be planning for 2019!

Thanks to the vast donations made to the Foundation Society in the past several months, we have been able to complete many projects. None of these projects would have been possible without the help of all you!

Our successes this year include:

- 6 new couches and 4 new wing chairs , shared amongst all the areas.
- New dining room tables in Cottonwood
- 10 new dining room tables on the way for Arbutus, Birch and Cottonwood
- A top of the line piece of nursing equipment for accurate assessment of elders
- All interior hallways, dining rooms and common areas have received new paint (and new color!)
- 2 Palliative Care carts for use by families when needed
- Mural for our Evergreen tub room and room refurbishment
- T-Shirts for all staff and posters throughout the building for anti-bullying day in February (T-Shirt work done by Jerzi and poster created by Deagon – Karen Fredlund, Care Manager’s children)
- Appreciation pizza day for all staff
- PLUS all of the regular things the Foundation provides for!!

We are very fortunate and thankful to everyone who helped make these wishes come true! Through the Foundation we have enriched the lives of our elders, our staff and all of you who visit and help.

2019 will be “**50 years of caring**” for Arrowsmith Health Care Society. Our Society was incorporated in 1969 and our doors opened to the community in 1971. We are very proud to be such a long standing Organization in the community and plan to celebrate our past, present, future, elders, families and staff throughout the next year!

Stay tuned in the next few months to find out what you can do to help us celebrate!

There are still plenty of things we need to enrich the lives of our elders, please make a donation today.

Kindly,

Deanna Smith, Administrator  
On behalf of the Arrowsmith Health Care (2011) Foundation Society  
250-248-4331 local 301

**Yes! I want to help improve quality of life for residents of Arrowsmith Lodge and Cokely Manor!**
